

Chapter 13 – Tournament Reports

1. General. They say a job isn't finished until the paperwork is done; that certainly applies to running a table tennis tournament. The results must be sent promptly to the Rating Chairman at USATT Headquarters with a check for the rating fees and all fees owed to the USATT paid to USATT Headquarters.

2. Report Format. The tournament report should be prepared on USATT Form T109 (page 13-7). The form contains much of the information needed to complete the report and presents it in a standard order. The report should be submitted electronically if possible. By using the downloadable forms in Chapter 10 on the web or from the accompanying CD, all items except the checks and liability waiver forms can be sent by E-mail.

3. Report Deadline. If the tournament records are prepared in accordance with the procedures shown in this Tournament Guide it is relatively easy to verify that everything is complete and get the report in the next day's mail. Reports for all tournaments should be submitted as soon after the tournament as possible but not later than 14 days after the completion of the tournament. USATT has established the following penalties for late reports. Postmarked later than

3.a. *14 days* after the tournament \$100

3.b. *21 days* after the tournament \$200

3.c. *28 days* after the tournament \$300

3.d. Reports received more than 5 weeks after the tournament will not be processed for ratings and the sponsoring club will be reported to the Ethics Committee for additional action.

3.e. All USATT processing fees collected must be paid to USATT even if the tournament report is submitted late and the tournament is not processed for ratings. Failure to submit fees is grounds for denying future sanctions.

4. Ratings Report. The Tournament Processing fee includes the cost of ratings.

4.a. A copy of the entry list. The entry list is the rating list provided to the sponsor before the draw. Highlight players that played in the tournament. If someone entered but didn't play, line them out if you had already highlighted them (page 13-5). For players not listed, add at end of the list. Fees will be paid to Headquarters USATT

4.a.1 \$7 per player for any 0, 1, 2, 3 or 4 star tournament except for the North American Open Team Championships (\$9 per player). These fees are current rates. Any changes will be reported on the USATT website, advertised in the national publication and will be sent to all clubs.

4.a.2. For all 5 Star tournaments the tournament processing fee will be determined by the USATT in coordination with the rating chairman.

4.a.3. If you make your own player list the list must include the USATT membership number, last name, first name, rating, state, ZIP, date of birth for new or renewing members, and membership expiration date.

- 4.b.1. Each draw sheet will include the name and date of the tournament, the name of the event, and the page number if more than one page. The USATT membership number must be on each draw sheet if the last name is the same for two or more players; otherwise no player number is required. Examples of completed draw sheets for various type events begin on page 13–7.
- 4.b.2. Draw sheets must conform to the examples shown in this Tournament Guide. Any significant differences from the examples must be approved in advance by the Rating Chairman. USATT will provide single elimination and/or round robin draw sheets if requested on the sanction request. Match sheets for team matches will be provided (one copy which may be copied by the tournament sponsor). See Chapter 10 for forms that may be printed in MS Excel.
- 4.c. Rating results will normally be posted to the USATT web site within 1 week after the report is received at NATT.
 - 4.c.1. Tournaments are processed in order the results are received. Some re-processing may be required if an earlier tournament reports their results late.

5. Membership report.

- 5.a. Memberships
 - 5.a.1. Tournaments are a major source of new memberships and renewals. Sponsors are required to check memberships and require membership of anyone playing in a tournament. The only exceptions are:
 - 5.a.2. Members of foreign associations affiliated with the ITTF provided they have evidence of current valid membership in their own association.
 - 5.a.3. Adults that have never been members of the USATT (or USTTA) may buy a tournament pass for one tournament only. Details of this program are outlined in paragraph 6, below.
- 5.b. Sponsors are authorized to deduct 15% from all memberships sold. This is to compensate the sponsor for collecting these USATT fees. No deduction is authorized for tournament passes.
- 5.c. The sponsoring club will be billed for a membership for anyone who plays in the tournament without a membership or tournament pass except as authorized in paragraph 5a, above.

6. One–Time Tournament Pass. In order to encourage more first time players, the USATT instituted the One-Time Tournament Pass.

- 6.a. Benefits.
 - 6.a.1 Allows a player to participate in one sanctioned tournament without purchasing a USATT membership.
 - 6.a.2 The player receives a USATT rating based on performance at the tournament.

- 6.b. Restrictions.
 - 6.b.1 Can be used only by any player who has **never been a member** of USATT or USTTA.
 - 6.b.2 Is valid only once in a lifetime – after the first tournament in which a player participates, the player must purchase a USATT membership to play in another sanctioned tournament.
 - 6.b.3 The player is responsible for paying the appropriate rating fee in addition to the tournament pass fee.
 - 6.b.4 Tournament passes cannot be used at the U.S. Open, U.S. National Championships, the U.S. Open Team Championships or North American Team Championships.
- 6.c. Instructions for processing.
 - 6.c.1 Complete a membership application form.
 - 6.c.2 Check the section **Tournament Pass** in the upper right hand corner of the form.
 - 6.c.3 In the Amount Paid section (bottom left) indicate the amount (currently \$10).
 - 6.c.4 Give a copy of the form to the player.
 - 6.c.5 Record it properly on the Tournament Report Form.

7. Tournament Report to USATT Headquarters. The following items must be included.

- 7.a. A copy of the report form (T109). You may use the remarks section to provide any extra information to Headquarters, the regional tournament coordinator (RTC), and to anyone else you report to. There is no requirement to send a report to the RTC. USATT Headquarters will make a copy and send one to the RTC if needed.
- 7.b. A copy of the tournament entry blank.
- 7.c. A copy of the entry list.
- 7.d. Original copy of each membership receipt.
- 7.e. A check for membership fees and rating fees. Separate checks may be submitted.
- 7.f. All liability waiver forms signed tournament participants.

8. Ratings Report to North American Table Tennis (NATT). The following items must be included.

- 8.a. A copy of the report form (T109).
- 8.b. A copy of the tournament entry blank.
- 8.c. A copy of the entry list. Recommend initial ratings for new players.
- 8.d. *A copy of the membership receipts if sent by email.*
- 8.e.. Original copy of each draw sheet. Do not include events not eligible for ratings. For audit purposes number the draw sheets.

Submit ratings report to: ratings@natabletennis.com or mail to:

9. Report to the Sponsoring Club. The club should maintain a copy of the report and a copy of anything sent in to another official. The remarks section can be used to provide a financial report to the club. You may want to make that report on a separate copy that is not forwarded to other addressees.

10. Magazine Article To the “National Publication”. This is their editorial policy:

We endeavor to include the results of all tournaments. We greatly prefer that all results be emailed to magazine@usatt.org (Results that are forwarded via fax or mail require retyping). Ideally, all results will be in the same format (see below). Generally, game scores will not be included and only first and second place should be included for most events.

As space permits, we are sometimes able to include a few paragraphs about the tournament or a photo along with the results. Larger write-ups are reserved for larger tournaments -- the number of larger tournament write-ups varies greatly with each Issue and depends upon many factors.

Player numbers are needed only if players have the same last name. With RR it is better, but not required, to include all player numbers.

This event used "crossover" semi-finals. The winner of one group plays the runner-up of the other group and then the semi-final winners play the final. The elimination draw may be shown on a separate sheet. Geographical separation didn't apply because players advanced from specific positions in preliminary groups.
